Product Introduction:

WAIST FUNCTION: Walking the dog in the morning, freeing your hands brings a greater sense of freedom.

BACK FUNCTION: The body - back dual design can effectively prevent the shoulder strap from being strained and prevent slipping.

Title: WEARING INTRODUCTION

Instruction: Note: There are many ways to fasten this multi - purpose drawstring, not just one! Here is multi - functional drawstring, one of which has more ways to use, please see the product introduction!

Steps:

Attach the end buckle with the D ring

Put the other end of the fastener through the middle ring

After passing through the fasteners, fasten the first fastener with the D ring

Finally, according to your own habits, adjust the buckle to the appropriate length

Key Features

- **Multifunctional Design:** This leash can be used in various ways, including hands-free running, dual-dog walking, or as a traditional leash. Perfect for any activity.
- **Durable Nylon Material:** Made from high-quality nylon, this leash is built to withstand the rigors of outdoor use, providing long-lasting durability.
- **Double-Headed Rope:** The double-headed design allows you to walk two dogs at once, making it convenient for multi-pet households.
- **Custom Colors:** Choose from a range of custom colors to match your style and your dog's personality. Stand out with a leash that's as unique as your pet.
- **Comfortable Grip:** Features a padded handle for a comfortable grip, reducing strain on your hands during long walks or runs.

Customer Reviews

"This leash is a game-changer for my morning runs. The hands-free option is so convenient, and it's strong enough for my two dogs." - Amanda S.

"I love the custom color options! The leash is durable and comfortable to hold, even on long walks." - Brian K.
