**DOUBLE TEMPTATION, ATTRACT
DOGS ATTENTION CONTINUOUSLY.**
No more destruction from dogs

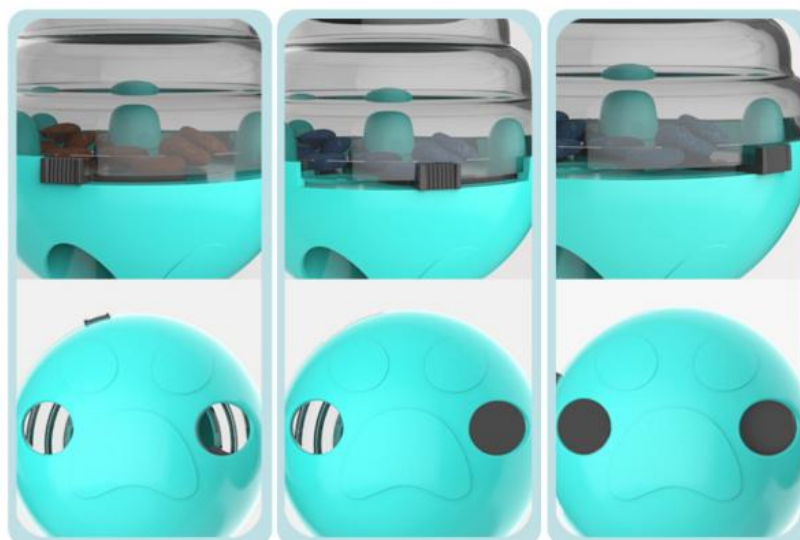

EASY OPERATION RELAXED TRAINING

Easy to operate, dog can learn easily.

ADJUSTABLE DESIGN OF FOOD DISPENSING HOLE

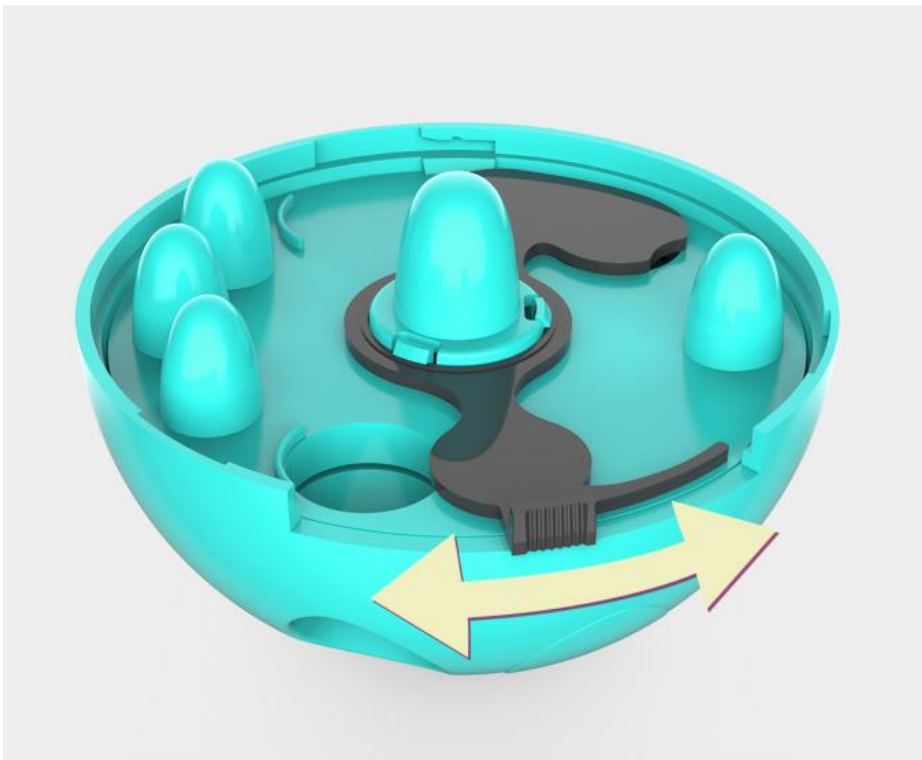

Different with other dog treat toys in market, you can adjust size of two food dispensing holes based on your needs.

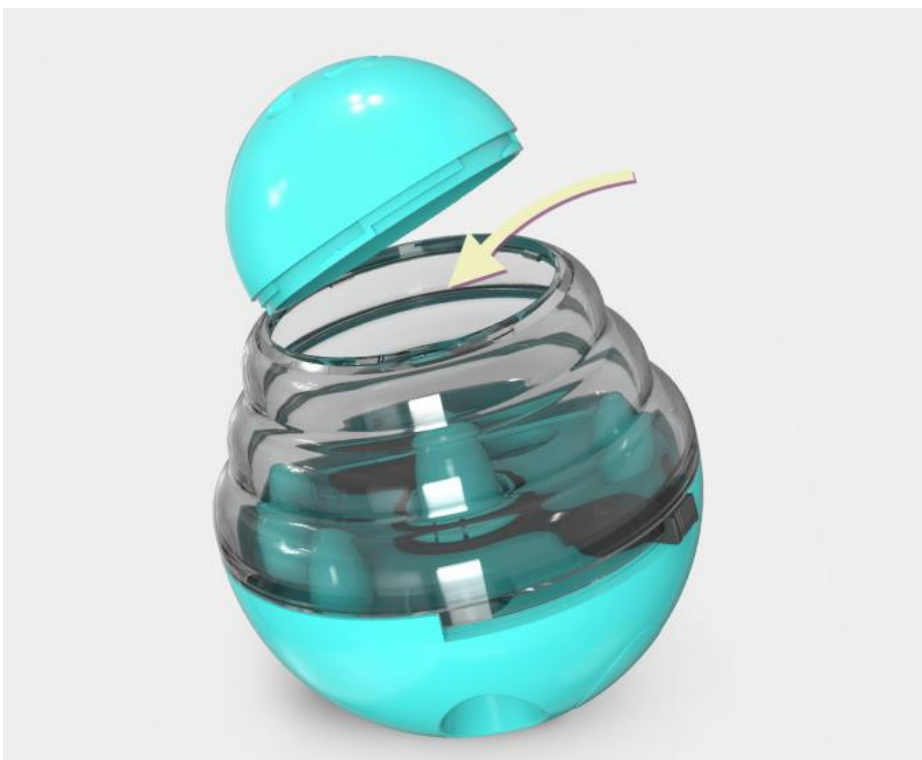

Two holes are both open.

Only one hole is open.

Two holes are both close.

1. Inner maze design can make sure each dog treats has to go through many barrier, and then arrive to dog's mouth. Compared with regular dog toys, extend the "hunting" difficulty and time. Adjustable buckles enable this toy fits different size dog treats and food, also control the speed of food outflow.

2. Open the lid then you can put dog treat inside. You can add more treats anytime you want when you play with him, very convenient. Large and round top lid can be open easily, avoiding toy destruction because of his bite habit, also protect pet from hurt.

SLOWLY FOOD DISPENSING IS MORE SAFE.

Because the adjustable holes design, only a little dog food is enough for them to play a whole day.
